Resident engagement strategies

Putting your on-site staff at the heart of building safety, our bespoke resident engagement strategies are built around your team at the property.

Key components of our unique strategies:

- ⊕ Glossary of terms and abbreviations
- ⊕ Roles and responsibilities
- ⊕ Registration on company app/portal
- ⊕ Safety facts about your HRB
- ⊕ Fire safety inside the apartments
- ⊕ Current fire safety challenges
- ⊕ Disabilities and language barriers overcome
- ⊕ Communication methods
- ⊕ Feedback and complaints

Benefits of using Cledor

We will:

Visit your development

Meet with key members of your on site team

Do a walk-about with your site team and office-based property manager

Take photos for use in the RES

Go through with the property manager a pre-RES questionnaire

Empower your site team to take a leading role in residents' safety

Offer you immediate discounts on the procurement of temp and perm site staff

For our resident engagement strategy pricing, contact us today!
